# INDEX TO VOLUME 2.

	PAGE
Agriculture—	
Imperial Agricultural Bureaux .. .. .	82
Standing Committee on, Fourth Meeting .. .. .	60
Agrostology—Problems relating to the Development of Grasslands .. .. .	5
Andrews, E. C.—Pacific Science Congress—Java, 1929 .. .. .	222
Angell, H. R.—	
Blue Mould of Tobacco .. .. .	156
A Disease of Coconuts .. .. .	243
Animal Diseases .. .. .	137, 188
Animal Health—The F. D. McMaster Animal Health Laboratory .. .. .	193
Animal Nutrition, Division of .. .. .	104
Animal Problems .. .. .	193
Apples—	
Notes on Certain Disorders of Cleopatra Apples .. .. .	49
Bitter Pit .. .. .	95, 187
Apricots, Production of Fruit Drinks from .. .. .	100
Australian National Research Council—Meat Preservation Committee .. .. .	134
“B.C.G.” Vaccine .. .. .	137
Bananas—	
Bunchy Top .. .. .	21
Squirter Disease .. .. .	27
Experiments on Ripening .. .. .	115, 219
Beef Production—The Future of .. .. .	185
Belschner, H. G.—The Effect of Immature St. John's Wort on Sheep .. .. .	229
Bennetts, H. W.—An Investigation of Western Australian “Braxy-like” Disease of Sheep .. .. .	109
Boas, I. H.—Forest Products Research .. .. .	68
Biological Control of Insect Pests .. .. .	177
Bitter Pit of Apples .. .. .	187
Black Disease of Sheep in Victoria .. .. .	205
Blue Mould of Tobacco .. .. .	156
<i>Boussingaultia baselloides</i> —“Lambs' Tails” a Reputed Poisonous Climber .. .. .	53
Braxy-like Disease of Sheep in Victoria .. .. .	205
Braxy-like Disease of Sheep in Western Australia .. .. .	109, 246
British Department of Scientific and Industrial Research—Annual Report .. .. .	117
British Economic Mission .. .. .	114
Buffalo Fly Pest .. .. .	119, 184
Building Research Laboratory in Great Britain .. .. .	125
Bull, Lionel B.—Enzootic Haematuria of Bovines .. .. .	232
Bunchy Top Disease of Bananas .. .. .	21
Callister, R. C.—Some Notes on Modern Ceramic Kiln Practice and its Trend in England and Czecho-Slovakia .. .. .	32
Canberra University Committee .. .. .	185
Canned Meat, Blackening of .. .. .	187
Carbon Tetrachloride-Ethylene Dichloride Fumigation Process .. .. .	128
Carne, W. M.—Notes on Certain Disorders of Cleopatra Apples .. .. .	49
Caseous Lymphadenitis .. .. .	180, 209
Catalogue of Scientific Periodicals .. .. .	55
Cattle Diseases .. .. .	137, 232
Ceramic Kiln Practice in England and Czecho-Slovakia .. .. .	33
Citrus Preservation Experiments—The Necessity for Careful Handling .. .. .	56
Cleopatra Apples—Notes on Certain Disorders in .. .. .	49
Coconuts, A Disease of .. .. .	243
Cohen, W. E.—Karri Bark as a Source of Tannin .. .. .	161
Cold Storage Investigations—	
The Refrigeration of Fish .. .. .	37, 150
Meat Preservation Committee .. .. .	134
Commonwealth Museum—Report on Establishment of a—at Canberra .. .. .	16
Commonwealth Research Station, Merbein—Annual Report .. .. .	239
Council for Scientific and Industrial Research—	
Sixth Meeting .. .. .	58
Seventh Meeting .. .. .	120

## INDEX—continued.

	PAGE
Department of Scientific and Industrial Research—	
British—Annual Report .. .. .	117
New Zealand—Bulletins .. .. .	63, 189
Dickinson, Campbell G.—Enzootic Haematuria in Bovines .. .. .	232
Dickson, B. T.—Division of Economic Botany: Some Present Activities .. .. .	94
Downy Mildew of the Hop .. .. .	190
Dried Fruit Grubs .. .. .	128
Dried Fruit—Sulphuring of .. .. .	151
Economic Botany, Division of—Some Present Activities .. .. .	94
Economic Entomology—Laboratories of Division of—at Canberra .. .. .	181
Economic Mission, British .. .. .	114
Economics, Proposed Research in .. .. .	116
Elliott, H. G.—Notes on Certain Disorders of Cleopatra Apples .. .. .	49
Empey, W. A.—	
Refrigeration of Fish .. .. .	87
Meat Preservation Committee .. .. .	134
Empire Marketing Board—Reports .. .. .	122, 250
Entomological Laboratory at Farnham Royal .. .. .	62
Enzootic Haematuria of Bovines .. .. .	232
Ethylene Dichloride—Carbon Tetrachloride Fumigation Process .. .. .	128
Export of Frozen Mutton—Scientific Expedition .. .. .	245
Farnham Royal—Entomological Laboratory .. .. .	62
Fence Posts—Preservation of .. .. .	247
Fiji, Biological Control of Insect Pests in .. .. .	177
Fish, The Refrigeration of .. .. .	87, 150
Fitzpatrick, A. S.—Building Research Laboratory in Great Britain .. .. .	125
Flying Fox Problem .. .. .	58
Forest Products Research .. .. .	68
Madison Forest Products Laboratory .. .. .	70
Prince's Risborough Forest Products Laboratory .. .. .	72
French Indo-China—Council for Scientific Research .. .. .	121
Frosting of Vines .. .. .	188
Fruit Drinks from Apricots, Peaches, &c. .. .. .	100
Geophysical Prospecting in Australia—Present Position .. .. .	182
Goddard, E. J.—	
Bunchy Top Disease of Bananas .. .. .	21
Squirter Disease in Bananas .. .. .	27
Grassland, Problems relating to the Development of .. .. .	5
Gregory, T. S.—	
The Prevention of Tuberculosis in Cattle .. .. .	137
Caseous Lymphadenitis .. .. .	209
Haematuria, Enzootic of Bovines .. .. .	232
Hebblewhite, W. R.—Standardization and Simplification .. .. .	195
Hindmarsh, W. L.— <i>Boussingaultia baselloides</i> —a Reputed Poisonous Climber .. .. .	53
Hops, Downy Mildew of .. .. .	190
Horses, Kimberley Horse Disease .. .. .	110
<i>Hypericum perforatum</i> .. .. .	229
Imperial Agricultural Bureaux .. .. .	82
Insect Pests .. .. .	119, 128, 177, 244
Julius, Sir George .. .. .	113
Karri Bark as a Source of Tannin .. .. .	161
Kimberley Horse Disease .. .. .	110
Knibbs, Sir George .. .. .	65
Laboratories of Council .. .. .	55, 137, 181
“Lambs' Tails”— <i>Boussingaultia baselloides</i> —a Reputed Poisonous Climber .. .. .	53
<i>Levuana iridescens</i> —Biological Control of—in Fiji .. .. .	177
Lightfoot, G.—Return of .. .. .	55
Lyon, A. V.—Commonwealth Research Station, Merbein—Annual Report .. .. .	239

## INDEX—continued.

	PAGE
Madison Forest Products Laboratory .. .. .	70
Maintenance of Standards, Committee on .. .. .	166
McAuliffe, S. J.—Standardization and Simplification .. .. .	195
McMaster, F. D.—Animal Health Laboratory .. .. .	193
Meat, Blackening in Canned .. .. .	187
Meat Preservation Committee .. .. .	134
Mellon Institute .. .. .	189
Mineragraphic Investigations .. .. .	124
Murnane, D.—Kimberley Horse Disease .. .. .	110
Museum—Report on the Establishment of a Commonwealth Museum at Canberra .. .. .	16
Mutton, Export of Frozen .. .. .	245
New Zealand, Department of Scientific and Industrial Research— Publications .. .. .	63, 189
Noogoora Burr .. .. .	96, 116

Pacific Science Congress—Java, 1929 .. .. .	222
Parasite Zoo—Entomological Laboratory at Farnham Royal .. .. .	62
Pasquale, S. R. de—Production of Fruit Drinks from Apricots, Peaches, &c. .. .. .	100
Pastures— Composition of .. .. .	248
Problems relating to the Development of Grasslands .. .. .	5
Peaches, Production of Fruit Drinks from .. .. .	100
Pearce, Senator Sir George F.—Address to Council .. .. .	58
Periodicals, Back Numbers .. .. .	243
Pittman, H. A.—Notes on Certain Disorders of Cleopatra Apples .. .. .	49
Pineapples—Water Blister of .. .. .	94
Plant Disease Survey .. .. .	97
Poison Plants .. .. .	40, 229
Poison Plants Committee .. .. .	40
Postmaster-General's Department—Research Laboratory .. .. .	174
Prescott, J. A.— Soils Investigations: Progress Report .. .. .	98
A Note on the Diagrammatic Representation of the Mechanical Analysis of Soil .. .. .	112
Preservation of Fence Posts .. .. .	247
Prince's Risborough Forest Products Laboratory .. .. .	72
Publications of the Council .. .. .	63, 191, 252
Radio Research Board— Annual Report .. .. .	171
New Proposals .. .. .	118
Ratcliffe, F. N. .. .. .	58
Red-legged Earth Mite in Western Australia .. .. .	244
Red-water of Bovines in South Australia .. .. .	232
Refrigeration of Fish .. .. .	87, 105
Richardson, A. E. V.—Problems relating to the Development of Grasslands .. .. .	5
Robertson, T. Brailsford—Animal Nutrition, Division of .. .. .	104
Ross, I. Clunies—Control of Stomach Worms in Sheep in Central Queensland .. .. .	75
Science and Industry Endowment Fund—Recent Grants .. .. .	64
Science Museum, London—Library of .. .. .	251
Scientific Periodicals—Catalogue of .. .. .	55
Scientific Research— In French Indo-China .. .. .	121
Ontario Research Foundation .. .. .	186
The Mellon Institute .. .. .	189
Seddon, H. R.— <i>Boussingaultia baselloides</i> —a Reputed Poisonous Climber .. .. .	53
The Effect of Immature St. John's Wort on Sheep .. .. .	229

INDEX—*continued.*

	PAGE
Sheep—	
Stomach Worms, in Central Queensland .. .. .	75
Black Disease .. .. .	205
Braxy-like Disease .. .. .	109, 246
Parasitic Gastro-enteritis in Sheep .. .. .	244
Caseous Lymphadenitis .. .. .	180, 209
Soils—	
Soils Investigations : Progress Report .. .. .	98
A Note on the Diagrammatic Representation of the Mechanical Analysis of Soil .. .. .	112
Squirter Disease of Bananas .. .. .	27
St. John's Wort, Effect of Immature—on Sheep .. .. .	229
Standardization and Simplification .. .. .	195
Standards, Committee on Maintenance of .. .. .	166
Standards Association of Australia .. .. .	195
Standing Committee on Agriculture—Fourth Meeting .. .. .	60
Stillwell, F. L.—Mineragraphic Investigations .. .. .	124
Stomach Worms of Sheep—Control of, in Central Queensland .. .. .	75
Sulphuring of Dried Fruits .. .. .	151
Tannin from Karri Bark .. .. .	161
Termites—Proposed Investigations on .. .. .	178
Theiler, Sir Arnold .. .. .	188
Thomas J. E.—Dried Fruit Grubs—the Ethylene Dichloride Carbon Tetra- chloride Fumigation Process .. .. .	128
Timber, Preservation of .. .. .	247
Tobacco, Blue Mould .. .. .	96, 156
Tomato Wilt .. .. .	95
Tuberculosis in Cattle .. .. .	137
Turner, A. W.—Black Disease of Sheep in Victoria .. .. .	205
University—Canberra Committee .. .. .	185
Vines, Frosting of .. .. .	188
Viticulture .. .. .	239
Weeds—St. John's Wort .. .. .	229
White Ants—Proposed Investigations .. .. .	178
Wood Preservation .. .. .	247
Wood, J. G.—Frosting of Vines .. .. .	188
Woodruff, H. A.—	
The Prevention of Tuberculosis in Cattle .. .. .	137
Caseous Lymphadenitis .. .. .	209
Young, W. J., Esq., C.B.E.—Appointment to Council .. .. .	113
Young, Dr. W. J.—Refrigeration of Fish .. .. .	87, 150
